I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments: Please consider this carefully. As "allergic" patients
have "special needs" that the regular pharmacies do not
have or can get. It's important to me to be able to obtain what
I need anywhere - not just in Ohio. Thank you for
your consideration in this matter. It could mean the
difference of me being well or sicker. Sincerely,
Martha Steinbrugg
